PHYSICAL THERAPY PATIENTS**

**\*\*\*NEW\*\*\* VITAMIN D TESTS AVAILABLE UPON REQUEST - \$30**  
**COMPREHENSIVE TEST PANEL - \$30.00**  
**HEMOGLOBIN A1C - \$20.00**  
**PROSTATIC SCREEN for Men - \$20.00**

**FREE BLOOD  
PRESSURE CHECKS**

### **FOR BEST TEST RESULTS**

- **DO NOT** eat or drink anything except water or one cup of coffee for 12 hours prior to your blood draw. (No cream or sugar in the coffee)
- **Drinking plenty of water the day before and just prior to check-in makes drawing blood easier.**
- Medications should be taken as usual.
- This screening does not replace an annual exam.
- Please follow up with your physician as test results are not automatically given to him/her.

**If you list the Odessa Clinic to receive your results, they will flow to your clinic chart, otherwise it will be your responsibility to get the results to your provider.  
Results will be mailed. For more information contact OMHC at (509) 982-2611**
